## General Guidance

- Please could we have PE kits in school at all times and all items of clothing must be clearly labelled with your child's name.
- If you feel you have any resources to complement any of the units, we would be most grateful to borrow them and use them to support learning.
- Whilst every effort is made to see parents at your request it is preferred that parents make an appointment so that any issues can be discussed thoroughly, rather than just before school.
- Please ensure your child has one healthy snack, labelled with their name for snack time.
