

RISK ASSESSMENT

Location/Premises/School: St Andrew's Major CiW Primary	Date: 20.02.21
Completed by: Gen Hallett (Headteacher)	Review date: as and when required e.g. issues identified, changes in Welsh Government / Public Health advice etc.
<p>Activity/Description/Area: Opening school during period of Covid-19 Pandemic</p> <p>This risk assessment takes into account the following Welsh Government operational guidance (which is updated regularly):</p> <p>https://gov.wales/operational-guidance-schools-and-settings-autumn-term-covid-19</p> <p>Minimising contacts and mixing between people reduces transmission of COVID-19. Maintaining distinct contact groups that do not mix makes it easier, in the event of a positive case, to identify those who may need to self-isolate and to keep that number as low as possible.</p> <p>Contact reduced by:</p> <ul style="list-style-type: none"> • Children being kept in class groups (max 30) wherever possible within the school, including break and lunch times. Wider mixing will take place on school bus although plans for restricting this if possible are in place. • Forward facing seating in Y3 to Y6 • Y2 to Y6 eat lunch in classes. • Forward facing seating in hall for lunch (Reception and Y1). • Staff maintaining distance from pupils and other staff as much as possible. 	
<p>Updates</p> <p>20.02.21</p> <ul style="list-style-type: none"> ➤ Information on Lateral Flow testing twice a week for all staff who consent. ➤ Fluid resistant surgical masks (FRSM) are advised to be worn at all times where possible. ➤ Increased focus on social distancing and minimising even further, the crossing of adults into different contact groups. ➤ Updated information on contact groups – primarily around KS2 V and KW provision. ➤ School bus – children will now remain in contact groups wherever possible. A seating plan has been provided by VoG transport. <p>Previous Updates</p> <p>12.01.21</p> <ul style="list-style-type: none"> ➤ Updates regarding the provision for children of Key Workers/Vulnerable pupils. ➤ Increased focus on Social Distancing ➤ Mitigating risk of staff using shared items e.g. kettles etc. ➤ LA advice to use medical grade masks and guidance on the storage of visors. ➤ Update on those shielding. <p>16.12.20</p> <ul style="list-style-type: none"> ➤ Removal of section on antibody testing which is no longer taking place. ➤ Reference to a balance between ventilation and thermal comfort. ➤ AC1 form now replaced with Covid-19 Assessment Form. ➤ All references to 14 days self-isolation replaced with 10 days throughout document. <p>23.11.20</p> <ul style="list-style-type: none"> ➤ Y2 were previously facing forwards. This has proved unmanageable in a Foundation Phase setting and a decision was made to return to a Foundation Phase style of classroom. ➤ The use of playdough in early years is an essential tool for the development of fine motor and creative skills. As such it has been reintroduced into Nursery and Reception but under strict procedures. ➤ Reference to school now opening Breakfast and After School clubs. Please also see separate Risk Assessment. ➤ Parents are now asked to wear face coverings at drop-off and collection in line with new guidance from Welsh Government.

Early detection of asymptomatic staff with the virus detected via lateral flow testing	All staff	<p>Lateral flow tests available to all staff working in primary setting/schools, from February 2021. The only exception is staff who have tested positive for Covid 19 will not be able to take a lateral flow test for 90 days from their positive result.</p> <p>Staff will receive training via an on-line training session and will also receive a process document from Vale of Glamorgan.</p> <p>Lateral flow test kits will be offered to all schools and settings in order for staff to take twice weekly tests. Testing is voluntary, but staff are encouraged to participate to further reduce the risk of asymptomatic transmission within the workplace. Testing is recommended on a Sunday evening and a Wednesday.</p> <p>Anyone who tests positive using a Lateral Flow Test (LFT):</p> <ul style="list-style-type: none"> • will not attend setting or school and will inform the school immediately so that all contacts can be informed to self-isolate. • Will log the result via the on-line form • A follow up PCR test will be booked automatically via the form and the test centre will contact the staff member. • if the result of the PCR is positive the school will complete the Initial assessment form which will be sent to communicabledisease@cardiff.gov.uk and COVID-19 Enquiries COVID-19Enquiries@valeofglamorgan.gov.uk <ul style="list-style-type: none"> • the local contact tracing team will then contact the school. 	School SLT will continue to monitor the process and will support any staff with queries.	All staff	22/2/21	

		<ul style="list-style-type: none"> • Contacts self-isolating will receive updated advice. <p>A negative test result will be logged via the on-line form.</p> <p>Schools and settings will reinforce government guidelines and in particular, remind all those who test negative that this does not mean they can relax their infection prevention measures and/or if they show any of the COVID-19 symptoms to self-isolate immediately and book a PCR test.</p>				
People at school who are unwell	Staff & pupils	<p>Pupils to be kept in a separate room (old staff room) until they are collected – they should be supervised at a distance of 2 metres where possible. If this is not possible, disposable gloves, apron & medical mask to be worn. Guidelines for cleaning these areas are displayed near PPE storage room. Deep cleaning is available from A&R Cleaners and also The Vale of Glamorgan.</p> <p>Anybody with symptoms to stay at home, begin to self-isolate for 10 days and make arrangements to be tested (including pupils). Rest of household to stay at home for 10 days from the day the first person became ill or until the outcome of the test is known</p> <p>Engage with the Test, Trace, Protect strategy</p> <p>Manage confirmed cases of COVID-19 among the school community and contain any outbreak by following local health protection team advice</p>	<p>Ensure surfaces that symptomatic pupils / staff have come into contact with are carefully and thoroughly cleaned</p> <p>If test is negative, they can return to school when they feel well enough to do so</p> <p>Advise H&S Team as soon as anybody in the school tests positive</p> <p>Covid Assessment form to be completed for all staff that test positive and sent to Health and Safety Team</p>	<p>Staff</p> <p>Staff / pupils</p> <p>HT</p> <p>OM</p>	<p>Ongoing</p> <p>Ongoing</p> <p>Ongoing</p> <p>Ongoing</p>	
Engage with the Test, Trace, Protect (TTP) Strategy	Staff & pupils	<p>School will remind everyone (parents of pupils) who is showing symptoms to self-isolate and book a test. Those living with someone showing symptoms will also self-isolate</p>	<p>School will be contacted by the TTP team to assist in tracing contacts</p>	<p>HT</p>	<p>Ongoing</p>	

		<p>If anybody tests positive, a Contact Tracer will contact them (parent of a pupil) to help identify potential contacts. A second contact tracer will then get in touch with those contacts and advise them to self-isolate for 10 days from their last contact with the positive person. These people will only be required to take a test if they develop symptoms.</p> <p>ALL staff and visitors must sign in every day and all visitors must be signed out by the school office staff. The classes/areas they have visited will be noted in case of any future TTP requirements. A record of all staff and visitors is kept. A record is also kept (on a daily basis) of all children who use the school bus.</p> <p>People are considered as potential contacts if they were in contact with the person who has tested positive during a period beginning up to 2 days before symptoms started and ending when the case entered home isolation.</p> <p>A positive test on site does not require closure of the school.</p> <p>Where staff have maintained social / physical distancing rules and adhered to hygiene measures during work and where required have used PPE, they would not be regarded as part of a contact tracing exercise.</p> <p>If school identifies a potential cluster or outbreak, they will contact the regional multi-agency TTP Team immediately.</p>	<p>School to maintain records of all staff / pupils on site. Electronic signing in must be done by all adults. This will also record contact details for visitors.</p> <p>School to note that a contact is defined as someone who has had close contact:</p> <ul style="list-style-type: none"> - Within 1 metre of the person who has tested positive and has been coughed on, had a face-to-face conversation, had skin-to-skin physical contact, or been in other forms of contact within 1 metre for 1 minute or longer; - Within 2 metres of the person testing positive for more than 15 minutes - Having travelled in a vehicle with the person who has tested positive. 			
Identifying	Staff & pupils	A cluster is defined as 2 or more cases of COVID-	Outbreak Control Team will consider:			

clusters and outbreaks		<p>19 among pupils or staff within 10 days or an increased rate of absence due to suspected or confirmed cases of COVID-19</p> <p>An outbreak is defined as 2 or more confirmed cases of COVID-19 among pupils or staff who are direct close contacts, proximity contacts or in the same 'bubble' in the school, within 10 days.</p> <p>An outbreak is declared over when there has been 28 days since the onset of the last confirmed case in the school and the results of any possible cases in pupils and staff in that time have tested negative</p>	<ul style="list-style-type: none"> - Adjustments to how the school is operating to facilitate infection & control measures and social distancing; - If further groups need to be asked to self-isolate e.g. class groups, other functional groups or year groups; - Whether to undertake an enhanced investigation including testing of a wider group. 			
Pupils & staff with underlying health conditions	Staff & pupils	<p>The Welsh Government advice on shielding was updated in December 2020 and advises those relevant staff with shielding letters are to work from home. This will be reviewed at the end of March 2021.</p> <p>Staff and pupil well-being is a primary concern for the school.</p> <p>Support mechanisms for staff include:</p> <ul style="list-style-type: none"> - Talking to Headteacher; - Employee Assistance Programme (Care First) available 24/7 on 0800 174 319; - Occupational Health Service can be contacted on 07894 326948 or 07714 397521. <p>Staff to positively reinforce behaviours around social / physical distancing and hygiene as opposed to stigmatising mistakes</p> <p>Staff to be alert to identify and support learners</p>	<p>Support can be obtained from the H&S Team and / or the OH Service</p> <p>Staff to use the COVID-19 Workforce Risk Assessment (self-assessment) to consider their own health and well-being status to see if they are at higher risk of development more serious symptoms if they come into contact with the COVID-19 virus – result will be either low, high or very high.
